### FOR PRIVATE FAMILIES, BOARD- ING HOUSES AND HOTELS.

### The New "DISHWASHER"

There is more popular demand for a  
cheap, practical and durable Dish  
Washer than any article that can be  
mentioned.

There is no machine about the  
household used as frequently as the  
Dish Washer.

The services of a carpet sweeper are  
required two or three times a week;  
the washing machine only once a week;  
while the sewing machine often stands  
idle for months; but the Dish-Washer  
is in demand THREE TIMES each  
day, and its benefits are thus con-  
stantly being dispensed to its users.
